GOOD SCORING

The West End Gun Club, the oldest

The West End Gun Club, the oldest shooting aggregation in the Old Dominion, opened the season yesterday afternoor with a large turnout of lovers of the "scattergun."

One of the features was the attendance of Mr. Lester German, representing the Dupont Powder Company, and one of the crack shots of the country, and Colonel J. T. Anthony, a notedexpert of the Union Metallic Cartridge Company.

The Dupont Company, through Mr. German, donated a beautiful watchfob, which was contested for by twelve of the best shooters. P. J. Flippen, of the firm of Harris-Flippen Company, was the bright, particular star in the race, winning out with the good score of 45 out of 50. He was warmly congratulated by his many friends.

An exciting team race at twenty-flye team winning by five targets.

J. A. Anderson, who has recently iolined the professional ranks, reforgad the races, while Mrs. German and Mr. Hammond each accounted for a straight. MacLelland's twenty-four in the team race was a creditable one, and helped to win the match. Mr. German donates a fob for the big practice, shoot Saturday at the Deen Ringrounds.
